IMPORTANT NOTICES

- 1 Return this form from your uoguelph.ca email account to: dvm bif@registrar.uoguelph.ca. It must be received no later than 4:15 p.m. EST, March 1st
* Please use Arial 12 pt font in your responses. Adobe Reader X or newer is recommended.
- 2 **This form is IN ADDITION to the Background Information Form, which is required by all candidates.**
- 3 The address you provide will be used for any further communication by Admission Services up to August 30.
- 4 In total, only four applications for admission to the DVM Program will be considered from an individual.
- 5 **Please note that students will receive their notice of interview, including the interview place, date and time, only via their University of Guelph e-mail address.**

1. Describe the most significant findings from your graduate program (1700 characters, including spaces).

2. Briefly explain how you see a training in research contributing to your future career as a veterinarian (1700 characters, including spaces).

3. Please list peer-reviewed papers in which you are an author and indicate whether they are submitted, in press or published (4 lines maximum per paper). For each, indicate your contribution (2 lines maximum per paper).

4. Please list abstracts in which you are an author. For each, indicate:
- (i) the conference the abstract was accepted for
 - (ii) the date of the conference
 - (iii) whether the abstract was presented as a poster or talk
 - (iv) if you presented the poster/talk.

5. Please list any other ways in which the results from your graduate program were disseminated (e.g. lay articles, presentations).

6. Please list all awards and/or scholarships you received as a graduate student. For each award please indicate what the award/scholarship was for.
