Graduate degree

Finish at least three semesters of your graduate degree by January 1, and all requirements for your graduate degree by the end of the winter semester.

Submit a first draft (minimally) of your thesis to your advisory committee prior to August 1 of the year of entry to the DVM Program

Submit by December 1

- Internal Transfer Form (U of G) or OUAC 105D form (any other university)
- Application fee

Submit by February 1 at 11:59PM

- Background Information Form

Submit by March 1 at 11:59PM

- Four referee assessments (include 2 veterinarians and 2 graduate advisors) submitted online by the referees directly to the university
- Graduate Cohort Information Form
- Official Transcripts from all post-secondary institutions attended (University of Guelph transcripts will be forwarded automatically)

Upon application you will be assigned a University of Guelph email account (if you don't have one already) with which you can access your WebAdvisor account for updates on your application status and to access the BIF.

If you are selected for an interview you will be contacted by email in late May or early June regarding an interview in June. Interviews are 45 minutes long with two members of faculty and are usually held at the Ontario Veterinary College in Guelph.

*Five courses per semester or 2.5 (U of Guelph) or 15 credits

*Five courses per semester or 2.5 (U of Guelph) or 15 credits
