Are you a Canadian citizen (including dual citizen) or have Permanent Residency status?

☐ Yes* ☐ No

Please email your completed form and course information to:

International DVM Admissions
Admission Services UC L3
University of Guelph
Guelph, Ontario
Canada N1G 2W1
admdvm@uoguelph.ca

*If you answered yes to this question, you must apply within the Canadian cohorts. Please see http://www.ovc.uoguelph.ca/recruitment/en/applyingtodvm/canadianstudents.asp for more details.
Name: _______________________________

Please provide the courses and grades for your eight specific subject matter prerequisites as well as the average of the eight and the average of your last two acceptable full-time semesters of undergraduate study. For the purpose of DVM admission, a full-time semester will include a minimum of 12 credit hours (equivalent to 2.00 Guelph credits)." The two semesters do not have to be consecutive.

Please attach detailed course descriptions from the university’s academic calendar/catalogue for the courses you are submitting as your 8 prerequisites.

LAST TWO ACCEPTABLE FULL-TIME SEMESTERS OF UNDERGRADUATE STUDIES: Each of the last two semesters that will be used in the calculation of the DVM admission average must include a minimum of 12 credit hours (equivalent to 2.00 Guelph credits). The two semesters do not need to be consecutive. They will be the two most recent semesters completed that meet OVC rules. Please refer to the rules regarding acceptable courses and acceptable course levels under Admission Requirements at http://www.ovc.uoguelph.ca/recruitment/en/applyingtodvm/Academicrequirements.asp.

8 Prerequisite Course Average

Last 2 Semester Average

A. Students should refer to the definitions outlined below for guidance regarding the subjects that may be recognized as meeting the general course requirements in the Biological Sciences, and Humanities/Social Science areas.

B. All subject requirements must be met prior to November 1, if courses are taken in the fall or winter semester, assessment of applications for interview suitability will only be granted when updated transcripts have been received. C. All courses must be at university level.

D. Must be a minimum GPA of at least 3.20.
1 Two-semester University courses equal a credit weight of 1.0. One-semester University courses equal a credit weight of 0.5.

2 **BIOLOGICAL SCIENCE SUBJECT AREAS**: anatomy, animal science, biology, biomedical sciences, environmental biology, molecular biology and genetics, food science, microbiology, nutrition, pharmacology, pathology, population medicine, human kinetics, physiology, soil science, toxicology, zoology.

3 **HUMANITIES AND SOCIAL SCIENCE SUBJECT AREAS**: art history, classical studies, drama, English or other language, fine art, history, humanities, interdisciplinary university courses, literature in English translation, linguistics, music, philosophy, economics, geography, political studies, psychology, rural extension, social science, and sociology-anthropology. PLEASE NOTE: While the subject areas listed may be used to satisfy the specific subject requirements, some courses within the subject areas may not be acceptable.
