

# Submitting an Abstract using Easy Chair

For the OVC Graduate Student Research Symposium

1. Open the following Easy Chair link: <https://easychair.org/conferences/?conf=2015gsrs>
2. If you have not used EasyChair Conference System before, click “sign up for an account”.
3. You will have to indicate your name, give a password and a valid e-mail address.
4. You will then receive a confirmation e-mail. To continue, click the embedded link.
5. Complete the sign-up process by filling out your account information and clicking “create my account”.
6. You will then be shown a confirmation and be given a link returning you to the sign-in page (from step1). The confirmation may take up to 24 hours.
7. Sign in with the user name and password you provided in step 2.
8. Click “New Submission” from menu to upload your abstract.
9. Fill in your “Address for Correspondence”. Make sure your correspondence information is correct.
  - Next, you can add authors to your submission manually. To add co-authors with whom you have already submitted a paper via EasyChair press “click here to add an associate” and select them from the list. By default three author forms are shown, additional forms can be added by clicking the link “add more authors” at the bottom of third author form.
10. Fill in the Abstract “Title”
11. Fill in the “Abstract” field with the abstract of 1700 characters (with spaces)
12. Provide the list of keywords
13. Select your department, program, area of research and preferred type of presentation under “Topics” section.
14. Under "Upload Paper", upload your abstract file in MS Word format
15. Include Title, Authors name, body of abstract and funding source
16. Press Submit
