OVC Scholarships and Fellowships
Terms & Conditions 2021-2022

Purpose, Eligibility and Requirements
OVC Scholarships and Fellowships (Groups 1-3, refer to the Program Description on the OVC Scholarships and Fellowships Website) are funded by the government of Ontario to support new graduate growth for Canadian citizens and permanent residents. To receive OVC Scholarships or Fellowships students must:

- Be accepted into an OVC Graduate Program
- Be an incoming OVC graduate student who has not yet started their full-time program of study
- Not hold full-time employment while receiving an OVC Scholarship or Fellowship

Please note, Faculty and departmental top-ups may be provided and will not affect the OVC Scholarships and Fellowships. The Graduate Tuition Scholarship award is paid through Student Financial Services to make up part of the OVC Entrance Awards (Group 3) and is not awarded in addition to the OVC Scholarships or Fellowships. All funding may only be received within the recommended time frame to program completion.

Commitments

1. **Maintain satisfactory progress** - the Research Advisory Committee reviews student progress annually, and if progress is unsatisfactory, the OVC Scholarships or Fellowships will be cancelled.

2. **Communicate research findings** - All students must communicate their research findings and participate in college research activities such as the Graduate Student Research Symposium.

Sign below to indicate you reviewed the OVC Scholarships or Fellowships Terms & Conditions and agree to the above conditions. Submit this form (signed by you and your advisor) to ovcsas.research@uoguelph.ca; you may also send any questions you may have about your OVC Scholarships, Fellowships or Entrance Awards to this email.
